## ***“AUTUMN WONDERS “ MOUNTAIN BIKE TOUR***

For the 10<sup>th</sup> year the people of the Flint Hills area around Alta Vista KS are offering an opportunity for bikers to enjoy the wonderfully scenic area known only to the locals and the

more adventurous. Riders can slam through the hills and rocks with eyes on the road only or keep your head up and enjoy the wonderful views, old stone fences, old historical buildings surrounded by lots of trees with the foliage just beginning to change. The “Little Egypt Area” is an old Indian camping ground with old bridges, bluffs and caves and some of the toughest hills anywhere. A fun off road is near the end of the ride course is a labyrinth called “Margaret’s Maze” that the ‘tired’ can even tour on a golf cart!

Bikers from the past say it just can’t be described....”ya gotta be there” (AND you are invited!!)

Please come & enjoy!!
