Welcome to Cheney State Park's West Side Trail! At a total length of 5 miles, this is oar longest trail in the park. The trail begins at jast West of the park office and ends at the Park/Wildlife boundary of S. Yoder road.

The trail has been a "work in progress" for well over five years, and we hope to keep improving it for our patrons. This year we will start placing signs throughout the entire trail and improving water crossings.

Hikers and bikers are welcome on the trail, but motorized vehicles are prohibited. As with all park property, all dogs must be kept on a leash at all times.

We hope you enjoy the trail and the outdoors here at Chency State Park!
