Return bikers tell us this is THE BEST....it just can't be described.....

Come, enjoy the low water bridges, stone fences, old stone homes, little to no traffic and many rolling hills and high vistas...

We'll have hot coffee, hot chocolate and warm fellowship to greet you in the park before the ride.

The **all-you-can-eat** lunch will be in the park when you return from the ride. People from the Parish

will share the meal and information about the area.

You set the pace,
We help set the trail.
All will succeed,
All will prevail.

Ride “Little Egypt”

We have maps for all route selections and will help you decide your way across the Flint Hills so that you have a truly enjoyable day!

Your biking enjoyment benefits the Santa Fe Trail Parish by adding funds for scholarships and mission trips.

We thank you for a Long-standing partnership to further God's work in the world.

See the fall foliage of the Flint Hills or spring buds or plan on both Rides at a good price of \$50 for both events.
